Here for Healthcare IT

Healthcare-Focused

Our roots in healthcare give us a deep understanding of industry operations, workflows, and technologies.

Client-Centered

Our approach starts with listening and centers around helping our clients succeed today and in the future.

Results-Driven

Our integrated solutions drive meaningful change to advance care and improve performance.

Working Together To Drive Meaningful Change

We are partners in progress for our clients and take a holistic approach to healthcare transformation. We understand that true transformation doesn't occur in a silo. Achieving meaningful, sustainable change requires a complete alignment of the people and processes involved, and the technology that is used.

Tegria

When you try to find a partner that's going to be **as influential as Tegria** has been, somebody who's going to be intimately involved in the minute details of your EHR, you want to choose somebody who is going to be on your side and **truly partner with you**. If you partner with Tegria, you're definitely partnering with a company who **cares about you** and wants to see you be successful."

Brian Heersink, IT Director
San Luis Valley Health

We enjoyed partnering with Tegria. The group was helpful and had **great revenue cycle recommendations** that helped us increase our charge capture and efficiency. They listened well to our needs and used their EHR expertise to **meet us where we were** and guide us through our transition. Their guidance, expertise, and **willingness to tackle whatever we asked** were invaluable."

Arvind Oswal, Chief Financial Officer
Arrowhead Regional Medical Center

The project not only finished on time but seemed **almost effortless**. Using Tegria to guide and assist us was one of the **best decisions** we could have made. Well worth the investment!"
