KLAS Client Satisfaction Score 90+
Revenue Cycle Optimization

100% of Tegria's Revenue Cycle Optimization clients said they would use our services again

Tegria quickly became part of our team and our family at HCHS. They helped us discover new ways to work within our MEDITECH system to turn our A/R days around. **I look forward to an outstanding partnership!**

Stacy Neubauer, CEO,
Harlan County Health System

We selected Tegria to help us with some change management and the complexity of implementing some things in a new environment. **Tegria had an excellent understanding** of our vendor's product, and they were experts in the functional areas where we needed assistance. The firm had clearly done things before. **Tegria was the right partner** and filled in the right gaps."
